*Re: Professional Reference Coast to Coast General Contractors*

To whom it may concern:

Please accept this letter as a reference for Coast to Coast General Contractors.

I have personally known and worked with Coast to Coast for approximately 9 years and have always known them to be a dedicated and responsible company. The Coast to Coast team have always demonstrated a high degree of work knowledge and performed their duties in a timely and professional manner.

Coast to Coast has performed numerous projects on our property, including and not limited to concrete restoration, exterior and interior painting, building repairs, Certificate of Occupancy and they are currently working on our expansion joints replacement project.

I highly recommend Coast to Coast for any construction related projects.

If you should have any further questions, please don't hesitate to contact me.

Cordially,

Jorge Poviones, LCAM
