To Whom It May Concern:

Our building underwent a concrete reparation project in 2011. Coast to Coast General Contractors, Inc. was given the project, which lasted several months. Coast to Coast provided our building with experienced workers who were very detail oriented in their work. The management was always attentive to all the work being done. We are very satisfied with the work completed in time and within budget by Coast to Coast and would recommend them for this type of work.

John Barnard, Building Manager
