

To whom it may concern,

It is my pleasure to highly recommend Coast to Coast Contractors. Marina Grande Condominium Association hired Coast to Coast to repair balcony edges of 349 units, high-rise condominium in Riviera Beach, FL. The project commenced in July 2015 and will be completed in late spring of 2016. They are responsive to our needs, quality-oriented and very patient through an open litigation with the Association's developer. They are professional in every aspect of business.

If you should require any more information, you may contact the management office at 561-844-1367.
