To whom this may concern:

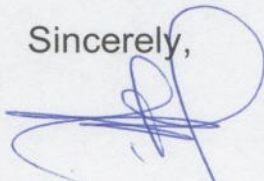

On behalf of the Board of Directors and the owners at Sea Air Tower Condominium we highly commend Coast to Coast General Contractors, Inc. for their professionalism in every aspect of our Garage Restoration Project.

The credit for this, goes in large part, to the President, Michael Brandt and the Project Manger, Justin Zisquit whose cooperative spirits played a major role in this achievement. Nevertheless, nothing should take away from the fact that the courtesy and workmanship of their employees was truly exceptional.

It was very clear to me that Coast To Coast clinch a commanding knowledge of their industry and their management staff was always eager to answer our questions and explain aspects of the job in laymen terms.

It has been a most satisfying experience and will call them for any upcoming projects we may have in the future.

Sincerely,

Ralph Ham
Property Manger
