Fernando Fernandez
Sales Representative
Sherwin Williams Co
Miami, FL, 33145

Dear Maria Ramos,

We understand that finding a paint and restoration contractor who matches your needs and your commitment to quality can be a challenge in this tight market. Not only does it affect your scheduling and quality of the job. It also reflects on your reputation as a Property Manager.

On behalf of Sherwin-Williams, I am pleased to recommend the following paint and restoration contractor who work in the condo industry:

- Coast to Coast General Contractors Inc, 954-920-3900, 613 S 21 Ave, Hollywood, FL 33020

Coast to Coast is been an active account with Sherwin Williams for over 20 years. This has always been a Reliable Painting company with an extensive credit line with Sherwin Williams. Payment to Sherwin Williams is made on timely basis.

There are many times that I have recommended them to do work and fix others complaints and they have never disappointed us. Coast to Coast is also one of the largest painting contractors in South Florida, and one of the best companies we do business with or perhaps the best. As an approved Sherwin Williams applicator he is very aware of all our warranty programs and what it needs to be done to get the job done right.

Thank you for the opportunity to submit this recommendation. If you would like to discuss any of the contractors in greater detail, or if I can be of additional assistance, please call me at 786-586-3556.

Sincerely,

Fernando Fernandez
Technical Product Specialist
