To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Ubilio Montejo. The Condominium Association awarded CTC, the Paint Contractors, with the task to repaint the building exterior and repair cracks and or spalls in its structure. Ubilio served as Supervisor. As a Property Manager I can honestly say that he was diligent in his duties.

In his role he had a considerable amount of responsibilities, and handled them effortlessly. He showed his skills to lead his team and communicate with the office on a daily basis without incidents. Through his leadership inspired respect and cooperation of his teammates throughout the entire project.

So without reservations I state with confidence that he is a motivated individual and can lead his team in whatever project is put in front of him.

If you have further questions please do not hesitate to contact the undersigned.

Sincerely,

Annie Perez, LCAM 

Community Association Manager

The Sterling Condominium Association
