Dear Motti-

On behalf of the Board of Directors and all the residents of Trump Palace Condominium, we would like to thank you for a wonderful job!

We were so impressed with your professionalism and completion of the work that was needed at the building which included exterior painting, stucco repairs and expansion joints. The workmanship is superior and the building looks fabulous. The Coast to Coast management team was excellent and highly responsive to all of our concerns and ensured our complete satisfaction.

Having many years in property management, I can highly recommend the services that Coast to Coast General Contractors have to offer and would not hesitate to contact them again for any upcoming projects in the future.

Sincerely,

Scott Bragg
