To Whom It May Concern,

Re: Coast to Coast General Contractors, Inc.  
613 South 21<sup>st</sup> Avenue, Hollywood, FL 33020

Our condominium association comprises 73 buildings and 411 units. Coast To Coast contractors were selected by our Board of Directors to paint several condominium buildings in 2008. The work the staff performed was so exemplary, the Directors also chose Coast To Coast to stabilize and reconstruct cement sidewalks.

Further, we also selected this company to reconstruct our mail kiosk, a project that was successfully completed to our satisfaction.

Painting the clubhouse pool building and patio area was also added to their contract.

The company pulled individual permits and satisfied the inspection process. Their staff was polite, cooperation and professional.

We are pleased to recommend this company for painting, reconstruction, concrete repair, and all projects within their scope of work.

Sincerely,

A handwritten signature in blue ink that reads "Daniel Harvey". The signature is fluid and cursive, with a long horizontal stroke at the end.

Daniel Harvey, Property Manager
